

ADDICTIVE STRIPPED BACK GROOVES WITH DARK UNDERTONES AND MYSTICAL TEXTURES...

MORTALYF'S LONG STANDING RELATIONSHIP WITH MUSIC DATES BACK FROM A VERY YOUNG AGE, SOME OF HIS EARLIEST MEMORIES ARE OF HIS PARENTS PLAYING RECORDS AT HOME, WHICH UNDOUBTEDLY FUELLED A PASSION FOR A LIFE AMONG MUSIC FROM THE VERY BEGINNING.

IT WASN'T UNTIL HE STARTED TO EXPERIENCE THE UNDERGROUND MUSIC SCENE YEARS LATER, WHERE THIS PASSION TRULY BLOSSOMED INTO WHAT IT HAS BECOME NOW.

WEST MIDLANDS BASED, MORTALYF HAS BEEN PIONEERING HIS STRIPPED BACK SOUND OVER THE LAST FEW YEARS. NOW PART OF LEFTBACK LABEL, WHERE HE HAS BEEN RELEASING HIS OWN ORIGINAL PRODUCTIONS AS WELL AS COLLABORATIONS WITH OTHERS FROM THE CREW.

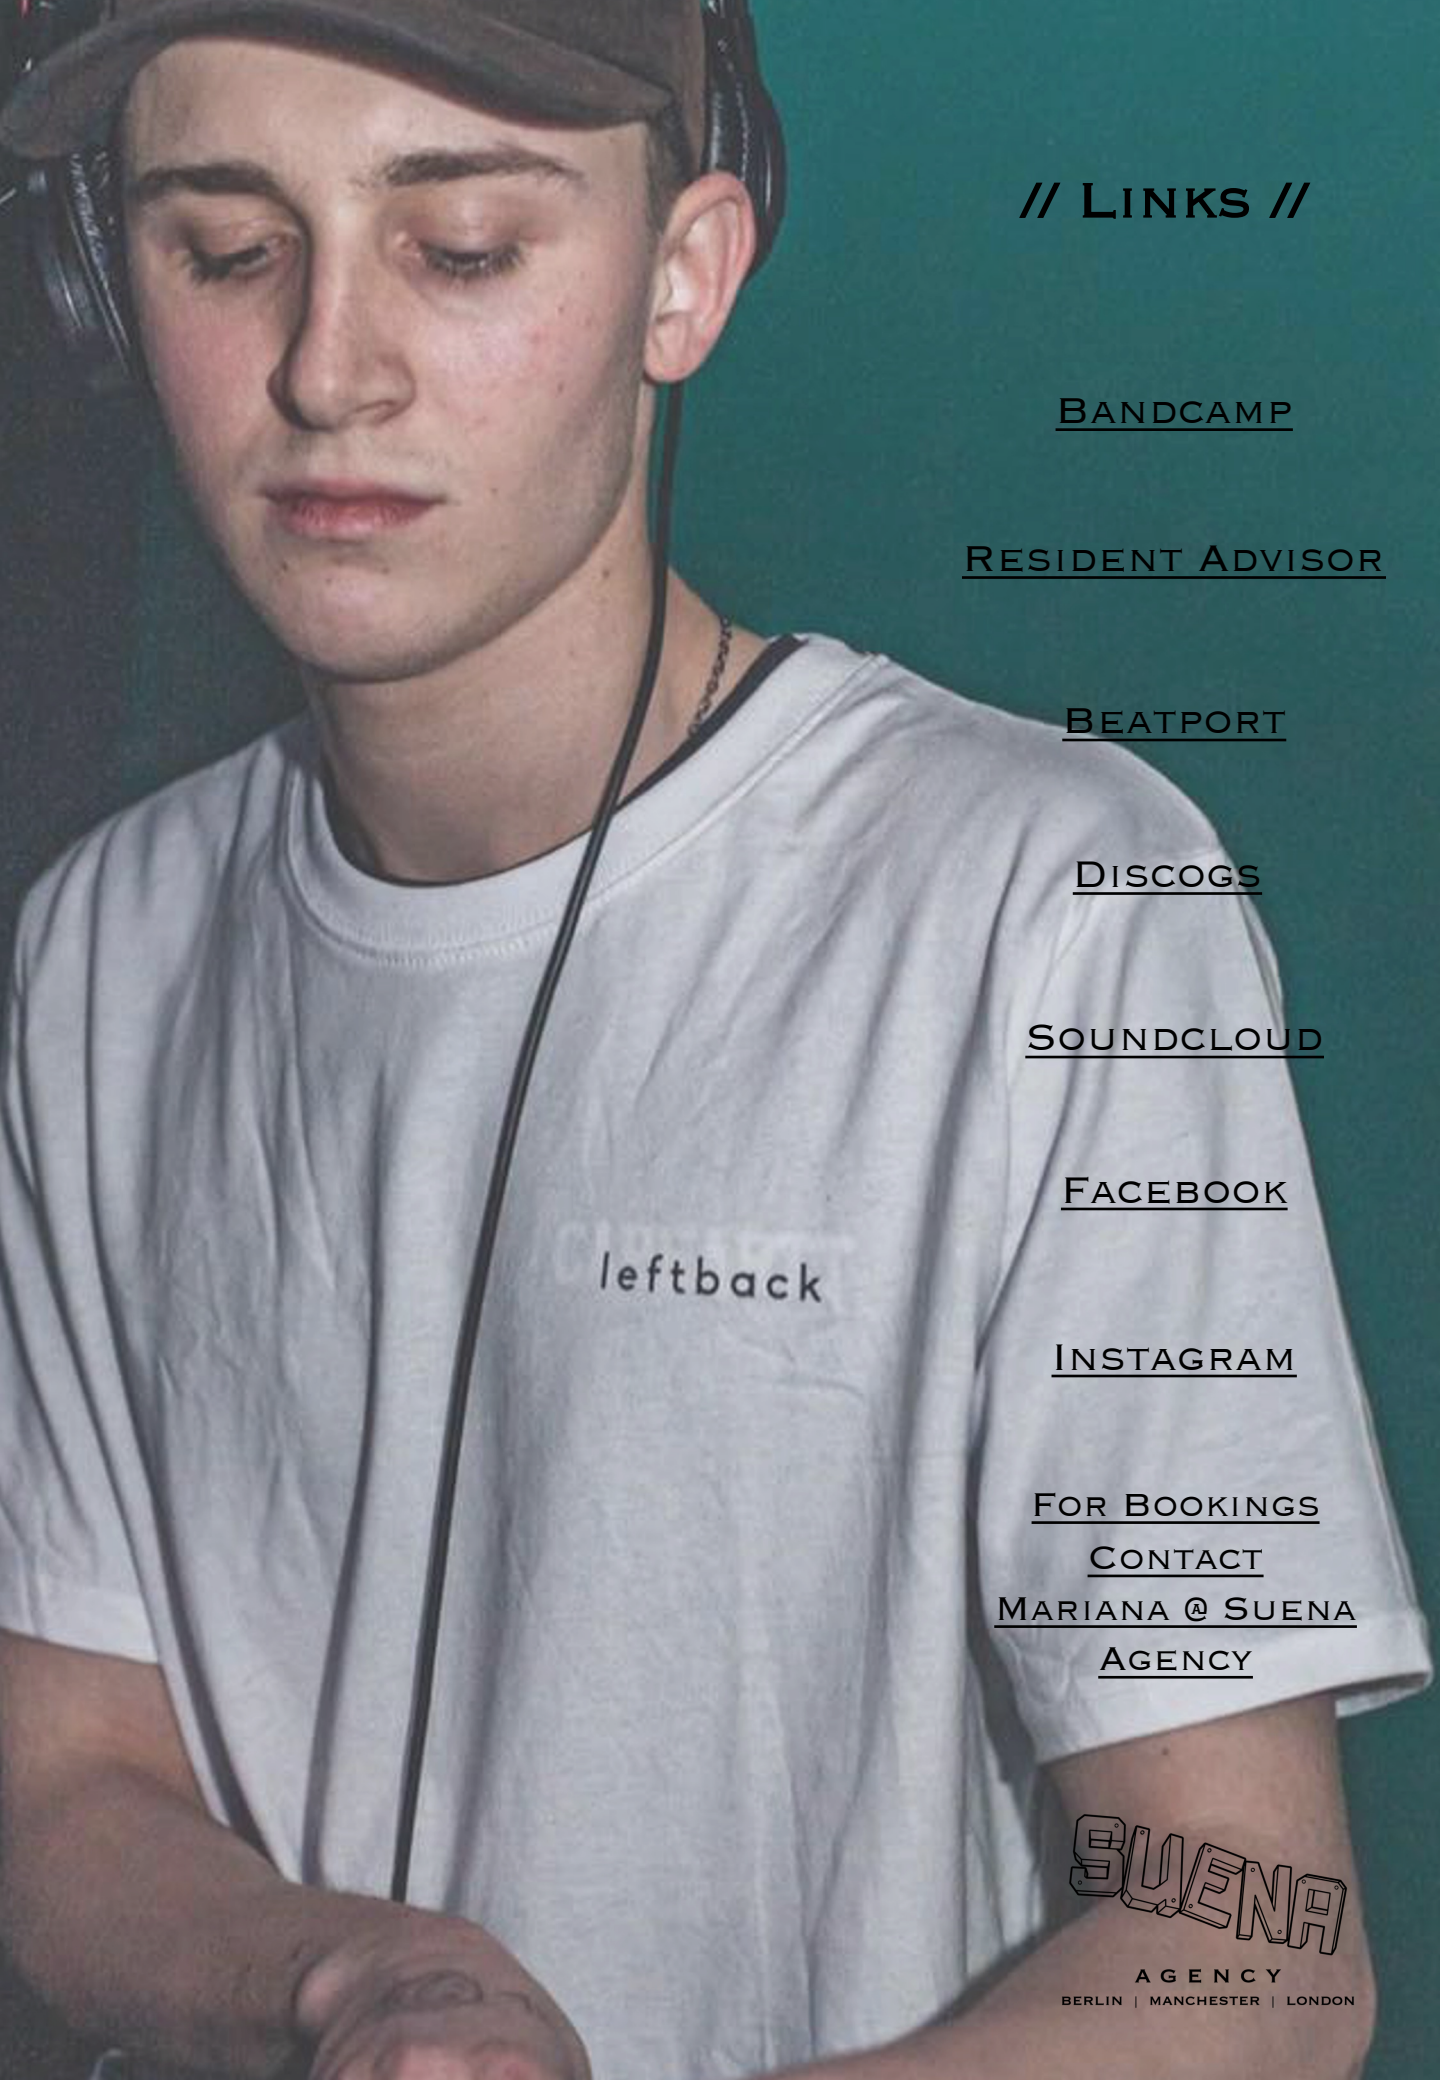

MORTALYF HAS BEEN A REVERED PART OF THE SCENE IN THE NORTH OF THE UK AND BEYOND, CONSISTENTLY NOTICES FOR HIS INFALLIBLE DEXTERITY AND SKILLS BEHIND THE DECKS, AS WELL AS HIS FIERCELY BOLD AND CONSTANTLY GROWING STAMP ON THE SCENE THROUGHOUT HIS PRODUCTIONS AND RELEASES.
